## President Gilbert launches second annual state tour of high schools

Country singer Willie Nelson, who penned a popular song about road trips, might take a few lessons from President Jerome A. Gilbert, who's on the road again with the second annual "The Rest of Your Life Begins at Marshall University" tour to high schools in West Virginia.

The recruitment tour, which kicked off today, Wednesday, Sept. 5, in Clay and Kanawha counties, focuses on connecting the university directly with students at area high schools. Marshall

University Athletics Director Mike Hamrick will accompany Gilbert tomorrow, as will admissions and financial staff to answer students' questions.

"I enjoy getting out and about speaking with students, educators, administrators, staff and parents across the region," Gilbert said. "Visiting high schools across the state also gives our team a close-up view of secondary education in West Virginia, which is helpful as we assess educational needs across the Mountain State."

Gilbert went on to say that Marshall has much to offer students, including more than 100 top-quality educational programs, accessible and beautiful campuses and centers, and about 230 recognized student organizations.

“Marshall University is an excellent educational choice for West Virginia students,” Gilbert said. “Marshall can provide every opportunity and benefit of larger schools, plus we have faculty and staff who care about each student’s success, with campuses and centers close to home, but far enough away for students to gain their independence and grow.”

Today’s schedule is as follows:

- 9 a.m., Sissonville High School, Kanawha County, Charleston, West Virginia
- 11 a.m., Herbert Hoover High School, Kanawha County, Elkview, West Virginia
- 2 p.m., Clay County High School, Clay County, Clay, West Virginia

Gilbert visited schools last year in Boone, Cabell, Clay, Jackson, Kanawha, Lincoln, Logan, Mason, Mercer, Mingo, Putnam, Raleigh, Wayne, Wirt and Wood counties and anticipates a similar schedule this school year.

## Students to thank donors for private support

---

The 6th annual Thank a Donor Days will take place from 9 a.m. to 2 p.m.

Wednesday and Thursday, Sept. 5 and 6, on the Memorial Student Center plaza.

The event celebrates scholarship recipients and gives students the opportunity to thank the donors who fund their scholarships,

according to Dr. Ron Area, CEO of the Marshall University Foundation Inc.

“Marshall University would not be what it is today without the generous contributions of our donors, and Thank a Donor Day is meant to remind students that, while each of their Marshall

experiences is unique, they are all impacted by the continued support from the university's alumni and friends," Area said.

Emma Kaufman, a sophomore advertising major from Vienna, West Virginia, said many college students are in really tight places financially and depend on donors and alumni to even attend school. Kaufman said she hopes to graduate in the spring of 2021.

"This scholarship is so important to me. I am the oldest of three and I've always known that I wanted to go to college, but I wasn't sure how it was going to happen financially. I am just so thankful for the donors who have made it possible for low-income students like me to even attend college," Kaufman said. "Very few people are able to make it without any help, and since I am so lucky to receive such help, I will make it a priority to help students in need when I am able."

Several activities are planned for students, staff and faculty, including signing thank you cards to the donors, posing for photos and recording video gratitude messages. Prizes such as pens, class year button pins, phone pop sockets, sunglasses cases and Marshall-themed keyboard dots will be given to participants.

Marco, Marshall's mascot, is expected to make an appearance at Thank a Donor Days.

For more information on Thank a Donor Days, contact the Marshall University Foundation by phoning 304-696-6781 or by e-mailing [krystle.davis@marshall.edu](mailto:krystle.davis@marshall.edu).

## Scholarship established to honor the late William “Bill” Hill

A scholarship was recently established in memory of William “Bill” Hill to support full-time students in the College of Education and Professional Development who are residents of West Virginia.

Hill was recruited from Wheeling High School to run track and cross country at Marshall, where he obtained his bachelor’s degree in physical education in 1970.

Family members described him as a Son of Marshall

who considered education to be a very important part of his life.

“Marshall University recognized gifted and talented students from the upper Ohio Valley and offered many of them academic and athletic scholarships, thus beginning the legacy of Marshall in Bill’s life and the life of his family,” the family said in a general statement. “He was the recipient of an athletic scholarship in track and cross country as well as the recipient of the scholar-athlete award while attending the university. He has a large legacy at Marshall – his brother-in-law and sister-in-law, Dr. John and Tina McDaniel Kinney, his cousins, Roy Tabb and Pam Galloway Tabb, and Tina Galloway Alexandra are all graduates of Marshall, as well as his son and daughter-in-law, Joseph B. Hill and Christine Overstreet Hill. His sister in-law, Marguerite Kinney Burton, received her master’s degree from Marshall and his eldest granddaughter, Taylor Bruer, attends Marshall while his youngest granddaughter, Magesty Hill, will be a 2019 enrollee.”

Hill and his wife, Patricia, were members of the John Marshall Society, a membership that she has continued. They had previously established the John Q. Hill Memorial Scholarship for their son.

Students and families interested in applying for the William “Bill” Hill Scholarship should contact the College of Education and Professional Development at 304-696-3131.

# Marshall ensemble, guest harpsichordist Yesim Dikener to perform free Baroque concerts

The Marshall University School of Music will present three concerts today and tomorrow (Wednesday and Thursday, Sept. 5-6), celebrating music from Baroque composers.

Performing will be an ensemble featuring guest harpsichordist Yeşim Dikener from

Westminster Choir College, along with Marshall faculty Dr. Wendell Dobbs on the flute, Dr. Elizabeth Reed Smith on the violin and Dr. Şölen Dikener on baroque cello. Connor Barebo, a Marshall student, will be on bass.

They will perform at:

- 4 p.m. Wednesday, Sept. 5, at Woodlands Retirement Community, 1 Bradley Foster Drive, Huntington.
- 7:30 p.m. Wednesday, Sept. 5, Smith Recital Hall at Marshall University.
- Noon, Thursday, Sept. 6, at Fifth Avenue Baptist Church, 1135 5<sup>th</sup>, Huntington.

Musicians will perform pieces by Telemann, Leclair, J.S. Bach and Vivaldi.

All the concerts are free and open to the public.

# Drinko Library and Information Center to host open house Sept. 5

---

Faculty and staff are invited to join Libraries and Online Learning and the Division of Information Technology for the 2018 Drinko Open House from 3 to 6 p.m. Wednesday, Sept. 5, on the 3rd floor of the Drinko Library and Information Center on the Huntington campus.

During the event, guests will be encouraged to take a tour of Drinko Library to learn more about IT and Library and Online Learning services including circulation, inter-library loans, the Writing Center, Instructional Design Center, ID Office, IT Service Desk, Marshall Digital Scholar and more.

“By the first week in September, the faculty are ready to take a break! We hope they will join us for a social opportunity allowing us to share the variety of services and materials they can access from several units who live in Drinko,” said Dr. Monica Brooks, associate vice president of libraries and online learning. “It’s also an opportunity for them to meet faculty and staff, to ask questions and learn more about the research and curriculum support networks the libraries and online learning have at our disposal.”

Information Technology staff members will be in attendance to assist with questions about IT infrastructure and services.

“The Division of Information Technology is happy to welcome faculty and staff to our part of the campus,” said Jody Perry, executive director of technology services. “There will be members

of our IT Infrastructure team as well as our IT Services team on hand throughout the open house to answer any IT-related questions.”

“They’ll also be able to visit the data center, where the magic happens. The 1800-square-foot, state-of-the-art facility is equipped with 87 physical servers, 502 virtual servers and more than 270 terabytes of storage. It’s what controls e-mail, Banner, myMU and all other IT services. Visitors will be given an overview of the security and monitoring in place, as well as a chance to see the VMware virtual environment and Big Green Cluster up close,” Perry said.

The event will also showcase the location of all service areas in the building as well as information about additional services available from both departments and refreshments will be available.

For more information, visit [www.marshall.edu/drinkoopenhouse](http://www.marshall.edu/drinkoopenhouse) or contact Crystal Stewart at [crystal.stewart@marshall.edu](mailto:crystal.stewart@marshall.edu) or 304-696-2970. # Honors College seminar proposal deadline is Wednesday, Sept. 5

---

The deadline for **new proposals** to teach a section of HON 480 for the Honors College in the Spring 2019 semester is next Wednesday, Sept. 5. HON 480 is a 3-credit hour, interdisciplinary core course in the [Honors Curriculum](#), capped at 15 students. Seminar proposals undergo review by the Honors College Curriculum and Policy Committee at least one semester prior to the semester an approved seminar is offered. For faculty who have previously taught a section of HON 480, **repeat applications** are also due that day.

For full details, helpful information, and **links to online submission** of all required material, please visit the [Teaching Honors](#) page on the Honors College website. **Due dates for Honors Seminar proposal and repeat application submissions are published for the academic year on the [Honors College Curriculum and Policy Committee](#) page.**

The mission of the Honors College at Marshall University is to foster academic excellence in a community of learners whose undergraduate education is enhanced through innovative teaching and learning, an engaging interdisciplinary curriculum, creative and critical inquiry with talented faculty, and diverse leadership and service opportunities. We deeply appreciate the contributions of faculty from across the university to our achievement of this mission.

Questions can be directed to Dr. Brian Hoey, associate dean of the Honors College, at [hoey@marshall.edu](mailto:hoey@marshall.edu).

# Marshall to test MU Alert tomorrow

---

A test of the MU Alert emergency messaging system will be conducted Thursday, Sept. 6.

Marshall community members who are subscribed to MU Alert are asked to be sure that they have received the message that morning. If a message has not been received

by noon, a subscriber should review and update his or her contact information in the myMU/MU Alert Web interface. If this contact information was already correct, but a message was still not received, then an e-mail should be sent to [mualert@marshall.edu](mailto:mualert@marshall.edu) with details on which contact method (text, e-mail, voice) did not work as expected.

The most recent test of the system occurred Jan. 24, 2018.

Members of the immediate Marshall community (students, faculty and staff) who would like to subscribe or update their information for this test are asked to visit [www.marshall.edu/MyMU](http://www.marshall.edu/MyMU), log in, click on the MU Alert triangle and complete their subscription or update by 5 p.m. Wednesday, Sept. 5.

The MU Alert system, which is operated by Marshall and delivered through the Blackboard Connect™ service, allows Marshall students, faculty and staff to provide several methods for the university to use when making emergency contacts. Most common are text messages, cell phone calls and e-mail.

MU Alert is used solely for the purpose of alerting the Marshall University community in an emergency. Emergency notifications are limited to those concerning urgent health and safety concerns for Marshall University students, faculty or staff; or disruption of normal university functions due to weather, crime or other concerns. Alerts are issued to increase awareness about a criminal incident to promote safety and aid in the prevention of similar crimes.

Marshall University officials determine if and when alerts related to criminal incidents are issued based on a number of factors, including when information becomes known. Alerts are sent when a serious crime occurs that demonstrates an ongoing threat to the campus community. The Marshall University Police Department reviews the known details of each reported criminal incident on a case-by-case basis with the safety of the campus community in mind.

The following criteria are considered before issuing an MUAlert regarding a criminal incident:

- Did a crime occur?
- Did the crime occur on campus property or on other Clery reportable property? (More information about Clery reporting geographical areas is available in the university's Annual Security and Fire Safety Report.)
- Is the crime a Clery reportable crime? (More information about Clery reporting is available in the university's Annual Security and Fire Safety Report.)
- Is there a serious or continuing threat to the campus community?

More information about the MU Alert system is available at

[www.marshall.edu/emergency/mualert](http://www.marshall.edu/emergency/mualert).

## Reminder: Campuses and Centers are Smoke-Free

---

According to the Board of Governors' tobacco policy, "The use of tobacco products is prohibited on any university-owned or controlled property.

Prohibited tobacco products include, but are not limited to, cigarettes, e-cigarettes, chewing tobacco, dip, pipes, cigars, cigarillos, hookah or water pipe smoking, snus and snuff. This policy applies to faculty, staff, students, contractors, vendors, and visitors.

"There shall be no advertising, sale, or free sampling of tobacco products on University property. Littering the campus with the remains of tobacco products or any other related waste product is prohibited."

---

# School of Medicine names Kevin White, M.D., August Resident of the Month

---

Kevin White, M.D., (right) has been selected as [Marshall University](#) Joan C. Edwards School of Medicine's Resident of the Month for August, announced Paulette S. Wehner, M.D., vice dean for graduate medical education at the school

White is completing his final year of the four-year obstetrics and gynecology residency program. He was nominated for the Resident of the Month award by Joseph DeRosa, D.O., of Valley Health Systems.

“It isn’t often that a volunteer faculty member commends a resident for going ‘above and beyond the call of duty’,” Wehner said. “We appreciate Dr. DeRosa recounting to us about Dr. White’s dedication and commitment to his patient to stay and assist with a delayed surgical case.”

Prior to his obstetrics and gynecology residency, White completed his undergraduate and medical school degrees at the University of Kentucky. The Lexington, Kentucky, native plans on entering private practice after he completes residency in June 2019.

“Dr. White has shown a willingness to provide care to his patients beyond his assigned duties—going the extra steps necessary for continuity,” said Kevin Conaway, M.D., obstetrics and gynecology residency program director at the Joan C. Edwards School of Medicine. “He will continue to provide excellent care to his patients after he graduates.”

As part of his recognition as the August Resident of the Month, White received items including a plaque and a designated parking spot.

## Invite a high school student to our “Sons and Daughters of Marshall” tailgate

---

Dear Marshall faculty and staff,

As you all know, recruitment of new students and growing enrollment is a top institutional priority, and as members of the Marshall family, you are some of our very best recruiters!

If you have a family member or friend who is a high school senior, please help us extend an invitation to them to join us at the Office of Admissions “Sons and Daughters of Marshall” Tailgate Party before the football game against Eastern Kentucky University on Saturday, Sept. 8.

This event is by invitation only for prospective students who have an existing affiliation with Marshall University.

In addition to enjoying great food and tickets to the game, high school students and guests who have registered for the event will have the opportunity to visit with representatives of the Office of Admissions and the Office of Student Financial Assistance, as well as faculty and staff from

many Marshall University programs. They'll have a chance to ask questions and seniors can even apply for admission on the spot, with no application fee.

Prospective students and their families can make reservations for the tailgate by clicking [here](#) or calling 1-877-GO-HERD-1.

I hope you will consider sharing this special invitation with a high school senior you know who may be interested in attending Marshall University.

Thank you in advance, and Go Herd!

Sincerely,

*Jaime*

Jaime R. Taylor, Ph.D.

Provost

## University Communications project submission guidelines

With the start of the academic year, University Communications reminds everyone that project submissions must be made at least 10 business days in advance of the requested deadline. In addition, there is now a maximum of five (5) proofs for each design request. Exceeding the allotted amount of proofs will result in additional delays and/or costs.

For specific questions, contact your University Communications representative (check [www.marshall.edu/ucomm/staff-2](http://www.marshall.edu/ucomm/staff-2) for assignments and contact information).

\*\*\*

# Lost and Found Reminder

---

Have you ever lost your keys while on the Huntington campus? If you've lost your car keys, house keys or any type of keys over the past few years, they may be located in the Lost and Found in the Memorial Student Center. There are currently over 50 sets of lost keys in the Memorial Student Center (MSC) Operating Office, which is located on the 2nd floor in room 2W6.

If you've ever found an item on campus that doesn't belong to you, this item may be turned in to the MSC Lost and Found

(2W6), the [Marshall Campus Police](#), or a building near where the item was found. If you are searching for a lost item, first check the department/building where the item was lost. To report a lost item, you may contact the administrative associate for the MSC's Operating Office, Yvette Blevins, at [arnetty@marshall.edu](mailto:arnetty@marshall.edu) or call 304-696-6472. Office hours are 8:30 a.m.- 5 p.m., Monday through Friday.

You may also post a message on the online Lost and Found at [www.marshall.edu/lostandfound](http://www.marshall.edu/lostandfound), or check that site for items that have been found.

Marshall University  
**DEPARTMENT OF SOCIAL WORK**  
PRESENTS

## A Panel on Suicide Prevention

**Monday, September 10**

**6:30 to 7:30 p.m.**

**Memorial Student Center BE-5**

A discussion about the increasing trend of suicide in the U.S. and in rural America will be moderated by Candace Layne and the panel members are from community mental health and the Masters of Social Work program of Marshall University. The conversation on how to increase outreach and support to underserved areas will be addressed. The increased rate of substance misuse, trauma, and hopelessness has a direct correlation to the issue of suicide.

**September is Suicide Prevention Month.**

**Dr. Valian's books are available from MU Libraries in both print and e-book versions. Contact MU Libraries for more information.**

# Why So Slow?

The Advancement of Women

**Virginia Valian**

Virginia Valian uses concepts and data from psychology, sociology, economics, and biology to explain the disparity in the professional advancement of men and women.

Why do so few women occupy positions of power and prestige? Virginia Valian uses concepts and data from psychology, sociology, economics, and biology to explain the disparity in the professional advancement of men and women. Why do so few women occupy positions of power and prestige? Virginia Valian uses concepts and data from psychology, sociology, economics, and biology to explain the disparity in the professional advancement of men and women. According to Valian, men and women alike have implicit hypotheses about gender differences—gender schemas—that create small sex differences in characteristics, behaviors, perceptions, and evaluations of men and women. Those small imbalances accumulate to advantage men and disadvantage women. The most important

consequence of gender schemas for professional life is that men tend to be overrated and women underrated.

Valian's goal is to make the invisible factors that retard women's progress visible, so that fair treatment of men and women will be possible. The book makes its case with experimental and observational data from laboratory and field studies of children and adults, and with statistical documentation on men and women in the professions. The many anecdotal examples throughout provide a lively counterpoint.

**Virginia Valian** is Distinguished Professor of Psychology, Linguistics, and Speech-Language-Hearing Sciences at Hunter College and the CUNY Graduate Center.

# An Inclusive Academy

Achieving Diversity and Excellence

**Abigail J. Stewart and  
Virginia Valian**

**How colleges and universities can live up to their  
ideals of diversity, and why  
inclusion and excellence  
go hand in hand.**

Most colleges and universities embrace the ideals of diversity and inclusion, but many fall short, especially in the hiring, retention, and advancement of faculty who would more fully represent our diverse world—in particular women and people of color. In this book, Abigail Stewart and Virginia Valian argue that diversity and excellence go hand in hand and provide guidance for achieving both.

Stewart and Valian, themselves senior academics, support their argument with comprehensive data from a range of disciplines. They show why merit is often overlooked; they offer statistics and examples of individual experiences of exclusion, such as being left out of crucial meetings; and they outline institutional practices that keep exclusion invisible, including reliance on proxies for excellence, such as prestige, that disadvantage outstanding candidates who are not members of the white male majority.

Perhaps most important, Stewart and Valian provide practical advice for overcoming obstacles to inclusion. This advice is based on their experiences

at their own universities, their consultations with faculty and administrators at many other institutions, and data on institutional change. Stewart and Valian offer recommendations for changing structures and practices so that people become successful in ways that benefit everyone. They describe better ways of searching for job candidates; evaluating candidates for hiring, tenure, and promotion; helping faculty succeed; and broadening rewards and recognition.

**Abigail Stewart** is Sandra Schwartz Tangri Distinguished University Professor of Psychology and Women's Studies at the University of Michigan. She is the coauthor of *Theorizing Feminism: Parallel Trends in the Humanities and Social Sciences*. **Virginia Valian** is Distinguished Professor of Psychology, Linguistics, and Speech-Language-Hearing Sciences at Hunter College and the CUNY Graduate Center. She is the author of *Why So Slow: The Advancement of Women* (MIT Press).

## MARK YOUR CALENDARS NOW FOR 2018 CONSTITUTION WEEK PROGRAMS!

SEPT. 10-24  
at  
MARSHALL UNIVERSITY

- » **Annual Open Quoits Tournament**, September 10th-14th, Buskirk Field
- » **Robert C. Byrd Forum**, September 13th at 2:30 p.m., MSC, Don Morris Room
- » **John Marshall's 263rd Birthday Celebration**, September 24th at 11:00 a.m., Memorial Student Center Plaza

Sponsored by the John Deaver Drinko Academy.

\*\*\*

## Two Marshall students win Bridging Scholarship for study in Japan

Two Marshall students have been named recipients of the Bridging Scholarship for Study Abroad in Japan. Sponsored by a variety of contributors, the awards of \$2,500 are administered by the American Association of Teachers of Japanese and are designed to promote study of the Japanese language, literature, and culture.

Caralee Casto, a junior Japanese major, will spend her upcoming junior year at Kansai Gaidai University in Japan with the Asian Studies program. Casto plans to pursue a doctorate in Japanese studies after graduation with eventual

plans to work for the Department of State. She is currently a member of Marshall's Honors College, president of Japan Club and a member of the Sado (Tea) Club.

In addition to the Bridging Scholarship, Casto also received the Morgan Stanley Scholarship, which provides her with an additional \$7500. The Morgan Stanley Scholarship is only awarded to two students nationwide, and is a partnership with the Bridging Scholarship.

"Being able to study in Japan is something I never would have dreamed of growing up," Casto said. "The Morgan Stanley and Bridging Scholarships have opened the door for me to truly experience my study in the way it was meant to be. These scholarships have shown me that others believe in me, and I hope to be a proud representative of Marshall, West Virginia, and each scholarship program I have been honored with."

In addition to these two scholarships, Casto was also a recipient of the Gilman Scholarship and a Gamestop Scholarship.

Emily Clements, a senior International Affairs major, also received the Bridging Scholarship to study in Japan. Attending Chukyo University in the Aichi Prefecture, Clements hopes to continue her studies in Japanese and international affairs in Japan. Upon graduating, she intends to pursue a graduate degree in Japanese studies and eventually work as a language specialist helping others from backgrounds similar to hers.

"As someone who grew up in a small town in rural West Virginia, seeing different cultures was not a common occurrence in my life," she explained. "Whether it be through teaching Japanese as a foreign language or just speaking to students in areas similar to mine, I want to let students know that there is so much to see in the world outside of the United States."

For more information about the Bridging Scholarship, visit its website at [www.aatj.org/studyabroad/japan-bridging-scholarships](http://www.aatj.org/studyabroad/japan-bridging-scholarships) or contact Mallory Carpenter by phone at 304-696-2475 or by e-mail at [Mallory.carpenter@marshall.edu](mailto:Mallory.carpenter@marshall.edu).

LECTURE SERIES | FALL 2018

# AMICUS CURIAE

## *Ask Not: What Each of Us Can Do to Make Our Democracy All It Can Be*

### CHRISTOPHER PHILLIPS

Founder of international Socrates Cafe movement

Best-selling Author of *Constitution Cafe: Jefferson's Brew for a True Revolution*

**TUESDAY, SEPTEMBER 11, 2018 | 7 P.M.**

**BRAD D. SMITH FOUNDATION HALL**

The *Amicus Curiae* Lecture Series is presented by The Simon Perry Center for Constitutional Democracy and is supported by a grant from the West Virginia Humanities Council.

## Golden Girl GROUP HOME | September Collection for a Cause

### About the Organization:

Golden Girl Group Home is a non-profit home for 24 girls, ages 12-18 who have been abused, neglected and abandoned. Golden Girl also has a Preparation for Adult Living Program that helps girls continue their education and live successful, independent lives after 17 years of age.

Visit [gggh.com](http://gggh.com) for more information.

Let's help them get off to a great start to their school year!

### What do they need?

- Hair conditioner
- Body wash
- Lotion
- Makeup
- Press-on nails in fun colors
- Young adult and fantasy novels
- Mechanical pencils
- College ruled notebook paper
- Adult coloring books
- Colored pencils and markers
- Colored and white chalk

### Where are drop-off bins?

- Marshall Rec Center
- MSC LEAD Center, Room BW9
- Drinko Library

An initiative of the Office of Community Outreach and Volunteer Services  
For more information contact Will Holland at [holland23@marshall.edu](mailto:holland23@marshall.edu)  
[www.marshall.edu](http://www.marshall.edu)

## Marshall music professor to host festival of electronic music

Posted on September 4, 2018

**ELECTRIFEST**  
Saturday, Sept. 15, 2018 | 9 - 11 PM  
Huntington Blacksheep Burrito and Brews

Tickets: \$5, available at the door

Come hear music from:

Maxwell Tfirm	BHZ: Brigid Burke
Andrew Walters	Steve Hall
Mark Phillips	Mark Zanter
Aaron Michael Butler	PSP

**Open to all ages!**

For more information, visit [electrifest.wordpress.com](http://electrifest.wordpress.com) or contact Dr. Zanter at [zanter@marshall.edu](mailto:zanter@marshall.edu)  
[www.marshall.edu](http://www.marshall.edu)

Dr. Mark Zanter, recipient of the 2018 John Marshall University Scholars Award and professor of music at Marshall, will host Electrifest, a festival of new electronic music, from 9-11 p.m., Saturday, Sept. 15, at Black Sheep Burrito and Brews, located in Pullman Square in downtown Huntington.

The event will feature live performance, video and improvisation by artists from the Huntington area and throughout the Mid-Atlantic region.

Artists will include Maxwell Tfirm, Andrew Walters, Mark Philips, Aaron Michael Butler, BHZ (Burke-Hall-Zanter), Brigid Burke, Steve Hall, Mark Zanter, and PSP of Huntington.

“The purpose of the event is to provide an opportunity for live performance of electronic music by local and regional artists at an all-ages venue,” said Zanter, coordinator of music theory/composition at Marshall. The event has been organized with the help of Tyler Cooper at Black Sheep Burritos and Brews and is anticipated to become an ongoing, local event.

Electrifest is open to all. Tickets will be available at the door for \$5.

More information can be found on the Electrifest website: <https://electrifest.wordpress.com/>

**SEPTEMBER 15, 2018 | 10:30 AM - 2:00 PM | DRINKO LIBRARY 349**

# ADJUNCT SATURDAY

*Are you an adjunct faculty member interested in teaching and learning?  
Are you interested in honing your teaching skills?*

If you answered "yes" to any of these questions, please consider participating in the Adjunct Super Saturday Faculty Forums on Teaching and Learning. Super Saturday is a professional development opportunity for new and experienced adjunct faculty. Programming encompasses several components related to teaching at Marshall.

SESSION 1: 10:30-11:30AM	SESSION 2: 11:45AM-12:45PM	SESSION 3: 1:00-2:00PM
Focused on teaching with technology. Much of the information is centered around the Collaborative (TEC) classrooms and the ins-and-outs of Blackboard (Blackboard beyond just the grade center).	Focused on various pedagogical approaches. Many of the learning strategies discussed in this session will be centered around both the scholarship of teaching and learning and how different strategies impact learning and cognition.	Focused on specific teaching and learning activities. This session will include specific examples of possible assignments and ideas for the classroom.

**Please register for this event at <https://www.marshall.edu/ctl/adjunct-super-saturday>**

Snacks will be provided. Hosted by the Center for Teaching and Learning

\*\*\*

# School of Physical Therapy Class of 2018 posts a 100% first-time board pass rate

---

The Marshall University School of Physical Therapy Class of 2018 had a 100% first-time pass rate on the National Physical Therapy Board Examination (NPTE). All 36 Doctor of Physical Therapy (DPT) graduates from the Class of 2018 passed the examination.

To put this accomplishment into perspective, the national average pass rate of all accredited DPT programs in 2018 was 92.3%. While the School of Physical Therapy has had a 100% ultimate board pass rate for all previous cohorts, the Class of 2018 is the first cohort to have all graduates pass the board examination on the first attempt, according to Dr. Jaime Taylor, provost and senior vice president for academic affairs at Marshall.

“The SOPT Class of 2018 having a 100% first-time pass rate on the NPTE is incredible!” Taylor said. “The SOPT faculty have worked diligently to optimize the DPT curriculum and implement efforts for students to review content and prepare for the National Board Examination. This is a huge achievement, and reflects the high academic standards of the chair and faculty of the School of Physical Therapy.”

Dr. Michael Prewitt, dean of the College of Health Professions, said the faculty and staff of the School of Physical Therapy made a concerted effort over the last year to achieve this goal.

“This achievement is particularly meaningful given that the national pass rate decreased this year by a couple percentage points due to substantive changes in the examination content,” Prewitt said. “The faculty offered an optional weekend review session for all graduates to help graduates prepare for the Board examination. Additionally, all third-year DPT students take a mock board examination in the third year of the program as part of the preparation process.”

Dr. Scott Davis, program director and chair of the School of Physical Therapy, said the faculty and staff are very proud of the graduates of the Class of 2018.

“This cohort set the bar high for all future cohorts with this outstanding achievement and puts Marshall University in the company of the top programs in the country,” Davis said. “These graduates are proud Sons and Daughters of Marshall.”

The official Federation of State Boards of Physical Therapy Report was available to the program Aug. 9. All Doctor of Physical Therapy graduates are required to pass the NPTE in order to achieve state licensure. The NPTE is offered as a national examination by the Federation of State Boards of Physical Therapy (FSBPT).

To learn more about the School of Physical Therapy, visit [www.marshall.edu/physical-therapy](http://www.marshall.edu/physical-therapy).

## Marshall faculty member named to Mid-Atlantic Athletic Trainers’ Association committee

---

Dr. Zach Garrett of the College of Health Professions has been named to the Mid-Atlantic Athletic Trainers’ Association (MAATA) Critical Incident Stress Management Committee. Garrett, program clinical coordinator for the college’s athletic training program, is one of two representatives chosen from the state of West Virginia.

The mission of this committee is to help athletic trainers and athletic training students better utilize the resources available to them when a critical

incident occurs, whether it be from a patient-related event or a traumatic event that's happened in their personal lives, according to Garrett.

“As the state’s representative, I’ll be able to work with my colleagues and students to help them use a peer-to-peer-system to assist, monitor and encourage individuals in a critical incident to seek initial support through state or regional athletic training care teams,” Garrett said. “The program is very selective and I was nominated by the state president and chosen by the district representative upon completing a course/training and I am very excited to provide this opportunity to our athletic training students and staff here at Marshall.”

In addition to this new role, Garrett currently serves as the West Virginia Athletic Trainers’ Association (WVATA) president-elect and on the National Athletic Trainers’ Association (NATA) Committee on Professional Ethics.

To learn more about the Marshall University athletic training program, visit [www.marshall.edu/athletic-training](http://www.marshall.edu/athletic-training).

## Casey Patick, M.D., joins Marshall Pediatrics

---

Marshall University Joan C. Edwards School of Medicine, [Marshall Health](#) and Cabell Huntington Hospital medical and dental staff have welcomed **Casey Patick, M.D.**, to their pediatric teams of providers.

Patick, a pediatrician dedicated to primary care for infants and children, has been named an assistant professor in the department of pediatrics at the Joan C. Edwards School of Medicine. A native of South Charleston, West Virginia, she earned her medical degree from

Marshall University, where she also completed her pediatric residency. She is a member of the American Academy of Pediatrics.

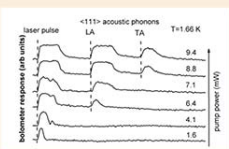

Patick is accepting new patients and referrals at Marshall Pediatrics, an outpatient department of Cabell Huntington Hospital, located in the Marshall University Medical Center at 1600 Medical Center Drive in Huntington. To schedule an appointment, call 304-691-1300.

## Faculty Achievement: Dr. Thomas Wilson

Dr. Thomas Wilson, professor of physics, presented a contributed paper at *Phonons 2018 – The 16th International Conference on Phonon Scattering In Condensed Matter*, held May 30-June 3, 2018 in Nanjing, China. The title of his presentation was: “Terahertz Acoustic Phonon Lasing through Acousto-Optic Self-Oscillating Degenerate Four-Wave Mixing”. Wilson’s application to organize and host *Phonons 2021* at Marshall University was accepted by the International Phonon Advisory Committee. *Phonons 2021*, to be held on the Huntington campus in June, 2021, will include the following topics: (1) phonon/heat transport, (2) electron-phonon interaction, (3) phonon-photon interaction, (4) quantum heat engine, (5) optomechanics, (6) phononic/thermal meta materials, (7) nonlinear phonons, (8) topological/chiral phonons, (9) phonon applications in quantum technologies, and (10) new phonon techniques, materials and phenomena.

## A challenge to all makers!

---

Calling all makers: Prepare to join us Friday, Oct. 5, as the Robert C. Byrd Institute (RCBI) presents the West Virginia Makes Festival – a celebration of ingenuity and creativity to inspire artists, inventors, makers and students of all ages. This year’s fifth-annual festival will run from 9 a.m. to 2 p.m. on the Memorial Student Center Plaza.

The celebration of making is free and open to everyone. It will feature a Design Challenge for makers to demonstrate their new ideas and skills. Artists, enthusiasts, hackers, hobbyists and students of all ages who enter the Design Challenge are eligible for several awards, including a “Best of Show” grand prize.

Registration for Design Challengers is required, so signing up is free and easy at [www.wvmakes.com/wv-makes-festival](http://www.wvmakes.com/wv-makes-festival). Show us what you can make. Register today! In addition to the Design Challenge, activities will include live music, special exhibits and interactive attractions.

This year’s sponsors of RCBI’s festival, which again coincides with National Manufacturing Day, include BB&T, the West Virginia Manufacturers Association, the Barnes Agency, the Cabell Huntington Convention & Visitors Bureau, Edward Tucker Architects, Huntington National Bank, Marshall University Research Corporation and Zeiss.

## Applications for Faces of Appalachia due Dec. 14

*Sarah Denman Faces of Appalachia Fellowship Award\**

*2019– 2020 Academic Year*

The purpose of this fellowship award, sponsored by the Center for the Study of Ethnicity and Gender in Appalachia (CSEGA), is to promote scholarship on gender and/or ethnicity in

Appalachia. The fellowship is awarded annually to a full-time Marshall University faculty member. The Sarah Denman Faces of Appalachia Fellow, who is selected by the CSEGA Advisory Board and announced at the annual spring faculty meeting, receives a \$3,000 cash award. Fellows present their scholarship to the Marshall community in the spring of their fellowship year (spring, 2020).

### **Application Process**

Marshall faculty members interested in being considered for the fellowship award should submit a professional vita along with a 1-2 page abstract of the proposed project. The research, which must emphasize ethnicity and/or gender in Appalachia, may be a new project or a continuation of a project already underway.

Please send application materials by email to Mary Thomas at [mthomas@marshall.edu](mailto:mthomas@marshall.edu) by **Friday, December 14, 2018**. The award winner, as well as other applicants, will be notified early in the spring, 2019 semester.

For additional information about the Sarah Denman Faces of Appalachia Fellowship Award, contact Lori Thompson, assistant professor, at [thompson39@marshall.edu](mailto:thompson39@marshall.edu)

*\*This award is funded by a grant from the National Endowment for the Humanities.*

## **Marshall's WMUL-FM wins broadcasting awards from dotCOMM**

---

Students from Marshall University's public radio station, WMUL-FM, received three Platinum Awards, six Gold Awards and six Honorable Mention Awards in the dotCOMM Awards 2017-18 Competition. The dotCOMM Awards are administered and evaluated by the Association of

Marketing and Communication Professionals to honor excellence in web creativity and digital communication.

“The dotCOMM Awards 2018 Competition marks only the second time that WMUL-FM has entered this contest and these awards signify that our broadcasting students continue to excel in providing quality programming both over the air and online for the listeners of the campus radio station,” said Dr. Chuck G. Bailey, professor of radio-television production and management in the W. Page Pitt School of Journalism and Mass Communications at Marshall University and faculty manager of WMUL-FM. “These platinum awards are outstanding accomplishments in recognizing our broadcasting students as having produced some of the best sports packages/podcasts, sports programs and sports play-by-play in the country.

“I am proud and grateful for the honor these dotCOMM Awards bestow on WMUL-FM, the W. Page Pitt School of Journalism and Mass Communications, the College of Arts and Media, and Marshall University,” Bailey said. “The gold awards are further tributes to the newscast, live news programming, overall use of Twitter for providing both radio station and sports staff updates, and sports program production skills of our broadcast students in competition with professional practitioners. Overall, this tremendous effort helps to start building toward another successful year by the volunteer student staff of WMUL-FM in garnering recognition for Marshall University and the College of Arts and Media, as well as the W. Page Pitt School of Journalism and Mass Communications, from state, regional, national and international broadcasting organizations.”
